Dear Mr. Fowler:

The addendum to the preliminary design report submitted with your letter of August 9 will be revised in accordance with your conversation this morning with Mr. S. R. Conley.

I am enclosing a copy of the agreement between the Department and the Central Intelligence Agency covering the CIA's traffic management system. This agreement shall be included in the addendum. Also to be included are revised plan layouts of Alternatives 2 and 4 on which the proposed median (3rd) lane on 123 will be marked as an ultimate lane.

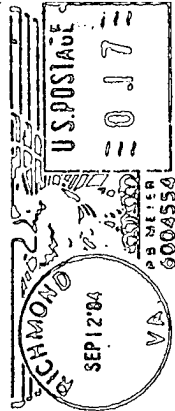

As soon as the addendum has been prepared, please furnish the Department with six copies of the complete report and send the usual number of copies of the report he receives.

plans to schedule a CIA Traffic Advisory Committee Meeting in the near future. Please develop a preliminary signing layout for each alternative and have it available for this meeting.

Very truly yours,

H. M. Shaver, Jr.
